A screenshot of the Mobirise website homepage. The background is a dark, high-angle shot of a laptop and a pen. The website content is overlaid on this image. In the top left corner is the Mobirise logo (an 'M' with a sunburst) and the word "MOBIRISE". In the top right corner are two buttons: "MORE INFO" and "DOWNLOAD NOW!". The main heading is "WEBSITE BUILDER REVIEWS" in large, white, bold, sans-serif font. Below the heading is a paragraph of text. At the bottom left are two buttons: "READ REVIEWS" (orange) and "DOWNLOAD NOW" (white with a black border). At the bottom center is a small white downward-pointing chevron icon. The background image shows a smartphone displaying the Mobirise website, with text like "MOBIRISE WEBSITE BUILDER" and "Create awesome mobile-friendly websites. No coding and free." visible on the screen.

**WEBSITE BUILDER REVIEWS**

In the past few years, web development has been changing radically. Website builders — once known as ‘WYSIWYG’ editors — have moved from clunky, spaghetti-code generating tools to far more sophisticated software. In the past, editors produced websites that were generally considered inferior, but nowadays they can turn out high-quality websites with clean code, optimized for search sites and capable of integrating advanced technology like carousels, image galleries, full-screen hero and more.
